

Como Physie Club 2023 Pricelist

Fee structure

Como Physie Club operates from February to November with 3 term fees. We often run classes through school holidays, we do not base our fee terms on school terms.

Our fees include 2 classes per week.

Our physie club is part of Bjelke-Petersen (BJP) School of Physical Culture. To learn the physie syllabus and have access to the syllabus music and videos that showcase the yearly routines, an annual fee must also be paid to this organisation. This is paid individually to BJP.

We accept Active Kids and Creative Kids vouchers.

	Como Registration fee	Term 1 Due March	Term 2 Due May	Term 3 Due September	BJP Annual fee
